Local Hibernians To Attend Memorial Mass At Cohasset Sun.

All members of the local Division of the Ancient Order of Hibernians are being urged by His Excellency Archbishop Richard J. Cushing to attend the Centenary Memorial Pontifical High Mass, at St. Anthony's, South Main Street, Cohasset, on Sunday, August 21st at 11 o'clock. The occasion will commemorate two closely connected events of one hundred years ago—the shipwreck of the "St. John", a brig carrying Irish passengers to this country and the resultant First Mass said in Cohasset shortly thereafter.

Sponsored by the Massachusetts State Board of the Ancient Order of Hibernians and its Ladies Auxiliary in conjunction with St. Anthony's Parish Church will be celebrated by His Excellency Archbishop Richard J. Cushing. Mass will be offered for the souls of the 144 persons lost on the "St. John" in 1849. The ship left Galway, Ireland, and as it neared the New England Coast it was hit by a severe storm which wrecked it as it lay at anchor in the sheltering harbor of Cohasset. Of the 165 aboard only 21 were saved.

Archbishop Lauds St. James' Parish

With hundreds of church dignitaries, town and state officials and parishioners on hand for the ceremony, Archbishop Richard J. Cushing on Sunday presided as guest of honor at the laying of the cornerstone of the new St. James' Parochial school at Arlington Heights.

Termining the new school a great investment which would pay great dividends, Archbishop Cushing congratulated the pastor and parish members who have worked long and hard to make the dream of a parochial school at Arlington Heights a reality.

He termed the laying of the cornerstone a part of the recent progress of Catholic education in the Boston Archdiocese and referred to other similar buildings being constructed in Marblehead and Braintree.

Rev. Maurice J. O'Connor, D. D., pastor of the St. James church at Arlington Heights, officiated at the impressive ceremonies at the new school. He was assisted by the two curates, Rev. Robert W. Shea and Rev. Charles McCarthy.

Pastors of other Catholic and Protestant churches in Arlington and neighboring communities were present for the ceremonies, while members of the various town departments represented the Town of Arlington.

Embodying modern design and architecture, the new school will be the second parochial school in Arlington, joining the St. Agnes school in Arlington center.

Construction is proceeding rapidly on the yellow brick building and it is hoped that two classrooms will be ready for occupancy when Arlington schools open in September.

HE'S OUR JOE - BUT!

We'll have to take our hats off to Arlington Joe—but! Why did he have to pick Tuesday night?

It was Arlington's Joe Coleman, big right-handed flinger of the Philadelphia Athletics, who knocked the Boston Red Sox out of second place in the American League standing and cost them a half-game to the Yankees.

The 7-4 victory was Joe's 11th of the year and evened up his won and lost record. It, too, broke a seven game Red Sox winning streak and started the Boston team off dismally on their road trip.

Concord Pike Menace To Auto Drivers Is Eliminated After Two Serious Accidents

Remove Deceleration Lanes At Cost Of Less Than \$1000

An engineering "boner" which the state claims cost less than one thousand dollars to correct, but which caused two serious automobile accidents and several more minor ones, came to light on August 10, when it was learned that the State Department of Public Works has covered up a serious flaw in the new construction along the Concord turnpike in Belmont and Arlington.

The error resulted from narrowing down the thirteen foot wide center island in the highway to three feet at six intersection points to permit the addition of ten foot wide deceleration lanes.

The idea behind robbing the central strip to provide an extra outside lane near intersections was to permit motorists to slow down before leaving the turnpike.

The outcome, however, was that the whittled-down center island which was three feet on one side of an intersection loomed abruptly as a thirteen-foot wide menace immediately across the intersection. Accidents resulted, because cars using the lane nearest the island to pass other vehicles, suddenly found themselves confronted with a sharply widened central strip.

Deceleration lanes with the accompanying narrowing of the middle island, has been completed at five of the six intersections, before the Public Works Department realized from complaints that this feature of the 6600-yard turnpike widening project, constituted a death trap.

Immediately, state engineers ordered the Auburndale Construction Co., which had the entire \$300,000 widening project, to eliminate the deceleration lanes and restore the center island to its full 13-foot width at all points, except at its beginning and end, where it tapers gradually to three feet.

The work has now been completed and there are no deceleration lanes as originally planned, at the intersections with the turnpike of Village Hill road, Park avenue, Bellington street, Highland avenue, Princeton road and the Pleasant street turnoff.

The PWD paid today the correction cost less than \$1,000. Philip H. Kittfield, the department's chief engineer, admitted an "engineering mistake" had been made, but attributed it to the incorporation into the PWD's plans of the deceleration feature recommended by the American Society of Highway plans were drawn up more than a year ago.

"A BUMPER CROP"

We're all delighted, out our way, for the fruitgrowers say there'll be a bumper apple crop this year.

While most of southern New England's crops face serious damage due to the lack of rain, the warm and sunny weather during the blooming period, is one of the main reasons for the expected twenty per cent increase in the apple crop over a ten year average.

Yes, it's welcome news, for the past few seasons have found the apple crop decidedly off, with resulting high prices.

Just a few years back, we displayed over 27 varieties of home-grown New England apples at the farm.

Our best seller was, in its season, the beautiful McIntosh, large, crimson, meaty and juicy, for early eating and cooking.

Visitors from all over the country flocked to the stand in the fall, for no matter from whence they hailed, they were all interested to see the old fashioned native New England varieties, beloved in childhood days.

Remember them? The Blue Permaine, the Sheep's Nose, Wolf River and the old-fashioned pink and white Snow apple? and the good old Northern Spy.

Looming in size over all others, the Wolf River, tart, hard and enormous, always attracted attention. Fine for baking, but too hard and tart for eating.

Then there were Gravensteins, Delicious, the Greening and last of all, the long-keeping, popular Baldwin, for all-season use and the Brown Russel, dear to the New England housewife.

In all this heat and humidity, isn't your mouth watering for a large, juicy, red Mac? Cheer up! Only a few weeks now and the first cool nips of fall will descend on our valley and it'll be apple time again in beautiful Nashoba.

How To Get Help When Polio Strikes

1. At the first sign of illness, call your doctor. If he suspects polio he will report the case to the local Health Department and arrange for hospitalization or home care, as indicated. The National Foundation does not select physicians or hospitals. This is a family matter. If you have no family physician, call your City or County Medical Society, your Board of Health or the nearest hospital.

2. If your doctor says it's polio and requires hospitalization, the local chapter of the National Foundation will help arrange for transportation to a treatment center. As soon as the patient goes to the hospital, or if your doctor advises the patient can be treated at home, get in touch with your Chapter of the National Foundation to arrange for any needed assistance.

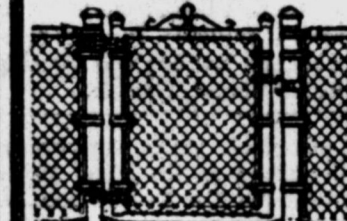

a.) Most Chapters are listed in the telephone book under N for National Foundation, I for Infantile Paralysis and the letter starting the name of the county you live in, i. e., Washington County Chapter of the National Foundation

b.) March of Dimes funds are used to help the medically indigent but this is not the same as "indigent," it includes families of moderate income, who cannot meet the high costs of modern care of this expensive disease. The help is a gift not a loan. While families that can pay are expected to do so, no family is expected to impoverish itself to meet medical expenses for polio.

b.) Even if you can assume full costs for initial hospitalization it is a good idea to see your Chapter. If yours should be a patient who is severely affected and this cannot be determined in the first few days you may need help later on. Bills incurred in the weeks before your Chapter assumes financial responsibility cannot be paid months afterward, but the Chapter will step in at whatever time you really need help. Have a frank friendly talk with your Chapter representative at the beginning.

ARLINGTON MUSIC LOVERS PLAN GROUP OF CONCERTS

The plans recently announced in these columns whereby a group of Arlington music lovers has arranged for the first of a series of recorded music concerts, to be held on Tuesday evening, at 7:30 in the Robbins Library Hall, have been consummated, Roscoe O. Elliott, of the Board of Library Trustees has stated.

These concerts, Mr. Elliott states are intended primarily for an exchange of musical interests and Arlingtonians will be invited to their own programs in the future.

Later on, it is planned to hold concerts of recorded music for children at the Library Hall. John H. Bartlett is chairman of the committee in charge of the new venture, with Robert Clancy, John Hasson, Dr. A. C. Hoffman, Leonard Marasco, Mrs. Lucinda Spofford, head librarian, and Charles Farrington, as members of the committee.

The plans are meeting with considerable enthusiasm among music lovers, and a good attendance is anticipated at this innovation in the presentation of recorded music concerts.

4. Chapters pay for hospitalization, professional services including nursing and physical therapy, transportation to and from hospitals, convalescent centers and clinics, treatment after hospital—wheelchairs, braces, etc., as needed. There are no hard and fast rules. Each case is given thought upon individual medical and financial needs. Assistance is given regardless of age, race, creed or color. More than 110,000 polio patients were directly assisted in full or in part up to the end of 1948.

5. In addition your Chapter can put you in touch with proper sources for nursing and physical therapy at home, can refer you to rehabilitation and vocational training agencies, will provide literature designed to foster better understanding of infantile paralysis—so you will know what to expect and how to help your polio patient back to a useful life.

THESE SERVICES ARE MADE POSSIBLE BY THE MARCH OF DIMES EACH JANUARY.

BOY'S CLUB MEMBERS ENJOY SUMMER CAMP

Reports filtering back from the Arlington Boys' Club Members now sojourning at Camp Wing and the Duxbury Stockade in Duxbury, Mass., indicate that this year will be a happy one indeed for the Arlington youngsters. This summer, nature study under the competent supervision of Frank Brady of Dartmouth College and the Crafts Classes led by College men from Yale, Harvard and Holy Cross are all giving athletics close competition for attracting the interest of the boy campers.

Archery, baseball, soccer and many other sports, led by college men from Catholic University, Syracuse, Brown, Tufts, Springfield and many other schools are also popular with the Arlington boys.

Swimming, lifesaving instruction and boating are, as usual, the strong drawing points for this

highly active type of American boy who makes up the roster of Boys club memberships.

Among those from Arlington this period are: Robert Gray, Kenneth Gerald and Russell Cook, Richard Blancy, Charles Austin, Donald Finlayson, John and James Ellingwood, George Hurley, Michael Guiliani, Edward Moyer, David Ryder, Robert De Young, Edward and Thomas Ridge, Robert Adams, Charles Cole, Brian Havey, Billy Bowen, Ronny and Arthur Aulenback, William Curtin, Ralph Hayes, David McCall, Dick Hamilton, Dick Costello, George Murphy, Billy Bennett, Bobby McKeever, George Judd, Forest Wagner, Donny and Charles Mouradian, Dick Femia, Billy Foley, George Lawlor, Paul Grady, Dick, Bob and David Bowler, Fran Harrington, John Boudreau, Norm and Bob Shaw, George and Lenny Browne, David Wright, Paul Robinson, Jim Carroll and Timmie and Gerald Hourihan.

SOFTBALL FINALS LISTED NEXT WEEK

Finals in the play-offs of the Park Department's softball league will take place next week at Robins Field, it was announced today by Superintendent of Parks Daniel J. McFadden.

The series will be a two out of three game battle to take place on Tuesday, Wednesday and Thursday evenings. Games will start at 6:15 each evening.

The Bombers and the Elks are battling for one place in the final playoffs, while the Mount Vernon team and St. Agnes are contesting this week for the other play-off berth.

They Forget To Pay Fare

Many amusing episodes are attendant on the newly established fare ruling now in effect throughout the MTA jurisdiction. On a trolley trip from Arlington Heights to Harvard Square on the day following the inauguration of the new ruling, nine out of ten passengers forgot to pay their five cent fare when boarding, at stops along the way. Each time the motorman's courteous "five cents, please," brought a surprised and rather pleased look to the passenger's face. It was all to the good for those who were getting off before the car entered the subway, for the new cut rate to that point brought them a saving of a nickel.

ANNIVERSARY

The best wishes of this newspaper are extended to Mr. and Mrs. William R. Richardson, who recently celebrated their 60th wedding anniversary with a small family gathering at their home, 128 Lowell Street, Arlington Heights.

RECEIVES NURSES CAP

Among students who recently completed pre clinical and probationary training at the New England Deaconess Hospital School of Nursing recently was Miss Joan Peckham of Arlington.

She was one of the 32 students who received caps at candlelight ceremonies conducted by Miss Margaret M. Shrader, principal at the hospital.

FLOWER GIFTS BRING CHEER TO VETERANS

The Hospital Service Chairman, Mrs. Frank H. Robbins, and committee, of the Arlington Garden Club take flowers regularly to the Veterans' Hospital at Bedford, on the last Friday of every month. This is an all-year-round project, but in the summer garden flowers are contributed by the club members and their friends, collected on the last Thursday of the month, conditioned and taken to the hospital on the following Friday morning. At the hospital the committee sorts the flowers and arranges about a dozen large bouquets which are distributed in the Women's Building of the hospital.

UNIVERSITY THEATRE

There's a laugh a minute, a song every other minute and plenty of romantic hi-jinks in between the latest Technicolor musical, "Neptune's Daughter", which a studded cast to the University screen starting Saturday for four days. Esther Williams in the kind of costumes that made her famous and Red Skelton impersonating a South American polo star, aided and abetted by such laugh-getters as Betty Garret and Keenan Wynn, the romantic Ricardo Montalban and the rhythmic Xavier Cugat and his orchestra, set the pace for a howling comedy of mistaken identities set against a lush background of bathing beauties, melodic interludes and polo thrills.

Popular James Mason makes an auspicious debut in his first American film role in "Caught," the companion film, the moving and powerful drama in which he is and Robert Ryan as his co-stars. Based on the novel, "Wild Calendar" by Libbie Block, the story of "Caught" concerns a socially ambitious ex-model who contrives to marry a millionaire.

"Intermezzo" co-starring Leslie Howard and Ingrid Bergman and "A Foreign Affair" featuring Marlene Dietrich, Jean Arthur and John Lund will be shown on Wednesday, Review Day.

J. Arthur Rank's Technicolor spectacle "Sarabadd" which opens Thursday brings to the screen one of the most moving and exciting love stories in history, played against the background of a court whose colorful pageantry concealed its profligacy, where intrigue ruled. Stewart Granger and Joan Greenwood head the cast which includes Flora Robson, Francoise Rosay and Frederick Volk.

Glenn Ford and Ida Lupino are co-starred in "Lust For Gold," which is based upon Barry Storm's factual book, "Thunder God's Gold" which is the true tale of the finding of the fabulous Lost Dutchman gold mine in Arizona's Superstition Mountains.

Everyland Club Holds Meeting

The three groups of the Everyland Club of the Robbins Library held their fifth meeting this week with new members present at the Dallin Branch, 25 at the East Branch and 13 at the Junior Library.

At each meeting, Miss Elizabeth L. Phelan, who has recently been appointed Children's Librarian, was introduced to the children and told stories.

The book quiz still seems to be the most popular game. The winners this week were captained by Norman Harrow against the team of Martha Pelletier at the Dallin Branch; David Saluhian against Muriel Elder at the East Branch; and Valarie Benson against Florence Wirsan at the Junior Library.

The clown's balloons are now well filled with names on the Reading Honor Roll. The Dallin Branch is leading with 39, while the East Branch has 28 and the Junior Library has 17.

Florence Wirsan and Martha Jeffrey entertained the other members of the Everyland Club at the Junior Library with piano solos and the meeting concluded with group singing.
